President's Report

Terri

- AGLC mandates that Society must have a minimum number of meetings each year. To date, guidelines have not been revised.
- AGLC will be rescheduling casino dates for those groups who have missed their casinos due to closures. This means NMS's casino may be delayed. We were expecting our next casino to be in Q1 2021, but now it may be several months later.
- Terri will check to see if spending deadlines have been extended due to the pandemic's disruption.
